

## **IB GYMNASTICS BOOSTER CLUB**

### **PRESIDENT'S REPORT**

August 29, 2017

In the past, the booster club for the competitive teams at Infinite Bounds was more informal with minimal record keeping. A change was needed.

This past year has been our first year after formally being recognized by the IRS as a charity, and we have implemented a financial reporting system, involved parents in decision making and leadership, hosted three meets which in total helped to off-set our expenses by over \$20,000, hosted and facilitated a number of athlete events, culminating in the End of the Year Athletic Banquet, which for the first time ever brought all of our artistic competitive teams together in one place, the Boys JO Team, Girls JO Team, and the Girls Xcel Team.

Moving forward, the goals of the IB Gymnastics Booster Club are to continue supporting the athletes through events designed to encourage them and help them build friendships amongst the other teams, focus more on fundraising so we can offset travel costs, we have three more meets to host this year and we need everyone's help as this is our primary means of fundraising each year. The Booster Club is run exclusively by parent volunteers, and the more we can work together, the less any one person will have to shoulder on their own.

I'm so glad each of you could make it tonight. We've got some business to go over, but then we will have some news of a few very exciting opportunities this year. With all of your help, we can make this the best year yet as we work together to help make our children's dreams come true!

Shelby Chacon

IB Gymnastics Booster Club, President
